Darts Alberta youth policies updated

Due to an increase in expenses and with limited expenses being eligible from casino proceeds, a moderate fee increase has been established for both the adult and youth Provincial Championship Programs.

- Youth Zone Qualifier Fee - \$20.00 (a \$5.00 increase from the previous \$15)
- Youth Provincial Championship Fee - \$25.00 (a \$5.00 increase from the previous \$20)
- Youth Provincial Buy-In Fee - \$60.00 (unchanged)

Continuing to fulfill the Darts Alberta objectives to review all Darts Alberta Policies, a number of revisions were made to all of the youth policies.

Darts Alberta Policy 10 - Youth Championship Program – Numerous changes were made to this policy to more accurately reflect today's current practice.

Darts Alberta Policy 18 - Youth Provincial Ranked Tournament System – Numerous changes were made to this policy to more accurately reflect today's current practice, including a new point structure when there are less than 4 participants in any one event.

Darts Alberta Policy 25 - Youth Subsidization – NEW POLICY – This new policy contains a major change to the gas subsidy currently provided to members of Darts Alberta Youth Leagues participating at Darts Alberta organized competitions. After a thorough review of the current practice, a great deal of inequities were found where some leagues members were receiving more than double the rates than others when averaging these subsidies over a km rate. The new structure will provide a more equitable subsidy for all youth member leagues.
